

Better Taste with Flavored Casings

Proudly Made In The USA

Our taste testers agree that both aroma and taste are better with flavored casings.

Simply use the same meat & emulsion to produce different flavored sausages without the changeover process. This means reduced downtime, increased efficiency and cost savings.

AVAILABLE FLAVORS

Our flavored casings sustain the same great stuffing and cooking performance as our regular casings.

Maple

BBQ

Jalapeño

FLAVORED CASINGS (PATENT PENDING)

Nitta Casings Edible Collagen Casings are accepted by the U.S.D.A. for use in federally inspected establishments. The ingredients used are subject to regulations by the Food and Drug Administration (F.D.A.). Viscofan Collagen USA Inc. operates a plant in Bridgewater, New Jersey, which is inspected by the F.D.A. and the New Jersey State Department of Health. For shipments of Nitta Casings Edible Collagen Casings outside the U.S.A. by a party other than Viscofan Collagen USA Inc., the responsibility to ensure regulatory compliance in the import country is that party's sole responsibility.

AVAILABLE SIZES

from 13mm to 23 mm for snack stick application; from 17mm to 32mm for processed (hotdogs; bratwurst) and fresh application (breakfast, dinner sausages)

STORAGE RECOMMENDATIONS

Nitta Casings Edible Collagen Casings should be stored in a cool, dry location at 40° - 70° F. The box overwrap should not be unsealed until the casing is ready to be used. Likewise, any casing that is leftover to be used at a later time should be resealed to retain proper moisture levels.
